## Find your CMT assets

After you created a new wallet successfully, you can see the 'Asset' page and a new address,   
0x38390461C316b8eBc8d5ECedC660Cef4ad1E9b8e.

Your total CMT assets and some basic functions are showed on this page.

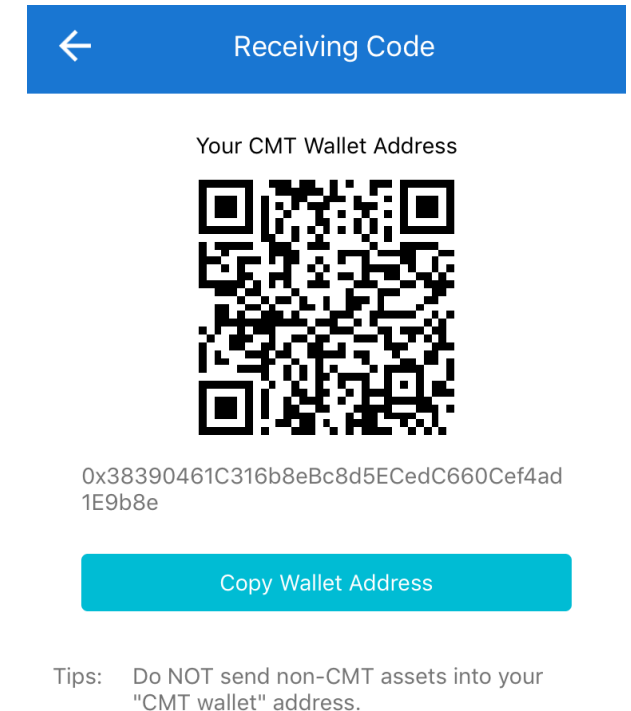

# 4

## Receive CMTs from others

You will see your receiving code after clicking 'Receive' in the 'Asset' page.

To get CMTs from other CMT addresses, you can send this QR code or the wallet address to others.

## 5 Send CMTs to others

There are two ways to send CMTs to others.

- Paste the receiver's address
- Scan the receiver's QR code

Most transactions on the CyberMiles blockchain need no gas fee.

## Try some interesting DApps

You could use CMTs to try many kinds of DApps in CMT Wallet, for example, predicting the NBA games results via the WeBet DApp and Record your love forever via the Delare Your Love DApp.

And you even can buy or sell your CMTs via the BEX DApp.
